Adorina's Fox

Is a handsome, large young Jersey Bull, descended from a long and unbroken line of the most noted bulls and cows on the island of Jersey England and America. His sire is one of the best bulls ever imported and his dam is a show cow that has given 60 pounds of rich milk in one day. If you believe "Like begets Like" or the likeness of some Ancestor, and have a strictly good cow, you should avail yourself of his service. He will be allowed to serve a limited number of approved, registered cows outside of our own herd this year, for a fee of \$5 each. Make engagement before sending cow to be bred. STANFORD COURT.—On account of the severe rain of yesterday few people came to court and business generally was dull. Competitive bids for 600,000 pounds of association tobacco were opened at Hopkinsville Friday and Tandy & Fairleigh were found to be the highest bidders.
